President's Report May 2026

April has been a lovely month weather-wise, and I hope everyone has enjoyed the cooler evenings and mostly sunny days 🌻🍂

At the end of our last meeting, Wendy Corby kindly volunteered to take over the library books 📖. There must be something special about the name Wendy, because last month, another Wendy stepped up to take on the Secretary's role. A big thank you to both ladies for putting their hands up to help 🙌

As our past President, Paul has often said, being President is an easy job when you have a strong and supportive committee around you 😊 Over the past month, I've had a closer look at just how much work our Events team puts in, and they all deserve a big round of applause 🙌

The Opal Day and Parramatta River Cruise was a great success 🎉, even though we ended up splitting into two groups.

Years ago, when I tried organising guest speakers, I was pleased if I had two or three lined up in advance. Margy Sansom, on the other hand, always seems to have five or six ready to go 🎤, which is no small effort.

I know many of our other committee members are also working hard behind the scenes for the club, and I'll be sure to highlight more of their efforts in future newsletters 😊

I hope to see plenty of smiling faces at our next meeting 😊
