Guest Speaker Bayley Tanner spoke of his target of raising \$2,000,000 for the Fred Hollows Foundation NZ. The organization has separate identities in both Australia and UK with NZ being responsible for the South Pacific. He pointed out the small cost of restoring sight to the island people and the impact it has on many lives. Seven of the Pacific countries now have at least one eye doctor and nurses thanks to the work of the foundation. He spoke of the difficulty of fund raising for charities during this year.
