PRESIDENT'S CORNER

Hello All. Hopefully you have got through Daylight Saving for another year. Each year there seems to be less and less publicity before the event. I only recognised that it happened when I awoke to half the clocks in the house varied by an hour. But I do like it when it happens. Although we tend to say "the real time" is, for a while until we get used to it. It is something that the whole country should follow. We have enough time zones without having to adjust to Daylight Saving time as well. October does herald the countdown to summer though and Christmas. I do look forward to summer. No one in our household likes the cold. Especially our cat Tony. But his Dad is not a lot better. I will close off our little chat thinking of warm days to come. Sandy Brigham President

MALVERN THEATRE

This modern musical is based on the 1988 MGM film of the same name. In the exotic French Riviera, Lawrence makes his living by smooth-talking rich women out of their money. He is an old hand and has got his technique down to a tee. But then he bumps into Freddy who takes a humbler, more laid-back approach, with emotional lies. The men decide to form a double act, but their egos soon clash, and the French coast isn't big enough for both. To settle their rivalry, they agree on a bet: the first to swindle the town's latest young heiress can stay, and the other must leave. Hilarity and confusion ensue as they pull out all stops to prove who is the better conman. Don't miss this laugh-a-minute musical gem! **Saturday 7 November. Cost $27.50 Code 75**
