PRESIDENT'S CORNER

Hello All. I must say winter has arrived. But the rain has been welcome for those with gardens. It does save a lot of watering as well. The down side is with those members who have a large street tree on their nature strip. We are the proud minder of an Oak tree. Also neighbours on both sides each have a row of decorative pear trees. They are lovely when in flower, but more leaves to drop in winter. It is good to have a moan. It is said that a problem shared is a problem spared. Enjoy the patches of sun that break through most days. And think how lovely, I can rake the leaves and get my vitamin D Enjoy 2026 with Probus. Sandy Brigham President
