Strolling with a purpose. Organiser John Higgins, 83794466

Stroll 100 **Report.** Not only was our guide, Rosemary Radcliffe, knowledgeable, she was also understanding and considerate, for she arranged a heavy shower of rain at the start of our stroll through the wetlands of the Botanic Gardens to ensure that they were in their best, pristine condition for our appreciation. Plants, rocks, a flowing creek and fine viewing spots made this another splendid stroll for 10 Swappers.
