Strolling with a purpose. Organiser John Higgins, 83794466.

Stroll 108 Report. For 15 Swappers our stroll through the grounds and buildings of Lourdes Valley with our very thoughtful guide, Lucille, was a most pleasing experience in a variety of ways. Our planned hour stroll became two hours with interesting sights into areas previously the quarters of the religious-an impressive chapel, the interior of a unit being changed into accommodation and a personal wander through Don Chappell's splendid apartment. Tea and coffee served in the dining room was a much appreciated gesture at the end of our visit.
