Next Meeting

Beaumont Bowling Club, Monday the 6th November 2017 at 10.00am.

Strolling with a purpose. Organiser John Higgins, 8379446

Stroll 118. Report. It was luck rather than foresight that saw 17 Swappers assemble at Scotch College to be guided through Torrens House by David Saies on a day that was bitterly cold and wet. We much enjoyed the knowledge, insight and humour of David who concentrated his talk mostly on the first three families associated with the house/home. It was a delight to be shown through areas which once had been used by the families in their daily use for entertaining. And all this on a normal school day!
