Stroll 119. Report. On a splendid day for strolling 12 Swappers enjoyed the somewhat loosely described self-guided tour, for "self-guided" was abandoned early in the piece. Not to have done so would have meant a total separation of the group. After 1.5hrs (1.2kms) the stroll was very satisfactorily completed and left time for eight Swappers to enjoy some coffee-and-chat time in the Lirra Lirra cafe' on the Waite Institute's Campus.
