**Stroll 120. Report.** 8 Swappers thoroughly enjoyed a gentle stroll of 1.1kms (approx.) along a gently flowing creek, paths which were well shadowed by an abundance of splendid River Red Gums, and some were tested by stepping stones. The surprise for grandparents were experiencing the excellent Morialta Conservation Reserve's playground and the thoughtfulness of its designers who have provided physical challengers, fun, and a little danger, unexpected objects of beauty and an opportunity for an active imagination. Oh, and it was also 33 degrees.
