### Strolling with a purpose

Stroll 122 Glen Osmond Creek

Report. It rained heavily a day or so before our stroll and, as a result, we were able to enjoy the satisfying sounds of the creek running towards the Patawalonga, while also admiring a large number of well aged gum trees. Some interesting homes were very much appreciated while the names given to Reserves and some streets provided interesting anecdotes about early South Australian identities.

Stroll 123 A limited visit to the Eastern Parklands and some East Terrace buildings.

Monday 21<sup>st</sup> May 2918 at 10:00 am

Meet and Park : At the far end of the carpark on Beaumont Road, off intersection of East Tce and South Tce. (UBD, Map 118, N16).

Terrain: mostly flat and firm footpaths

Distance: 4.00 km approx

Time: 1.5 – 2 hours

Stroll 124 Monday 18<sup>th</sup> June 2018 at 10:00 am.
