### Strolling with a purpose

Stroll 129 Hallett Cove Conservation Park Report

On our final stroll for the year, 15 Swappers thoroughly enjoyed the ups-and-downs of a largely wooden boardwalk with four tackling the rounding of the fascinating Sugarloaf in the Hallett Cove Conservation Park. 14 were able to have a fine lunch while overlooking Gulf St Vincent from the verandah of The Boathouse.

Unless there is someone prepared to take over the position of Swap Organiser, there will be no more monthly strolls. I have had a thoroughly enjoyable time organising the strolls and guiding them, but the most delight came from the friendships made with those who Swapped. I have a considerable pile of information I would be delighted to pass on.

John Higgins

I am sure everyone in our Probus Club, and especially those who have participated in the monthly strolls, feels a deep sense of gratitude for all the efforts that John has put into the SWAP group since 2004. Thank you John.
