From the President

I wonder how you are all feeling about things during this period of restricted activity. From reports that have come to me it seems that for the most part our members have been managing well and keeping in good spirits. Meanwhile some have been unwell, and we send our best wishes to those people.

As I have adjusted to a more restricted lifestyle, I have become more keenly aware of those things I am missing, some of which relate to our Probus meetings. I have missed the monthly stimulation of guest speakers challenging me to think about topics I know little about. I have missed learning about the interesting lives led by fellow members through the members profiles, and the chance to chat over a coffee. And, of course, I have missed the monthly laugh provided by John Higgins. Unfortunately it will most likely be some time before we can expect to regain these opportunities.

The Management Committee continues with an on-line meeting each month. Eventually we will get to the point when we are discussing the recommencement of general meetings, and we will keep members informed of our plans as the enforced restrictions ease.

Best wishes to you all

Ken Watson
President
