From the President

I am sure that members are keenly watching the ongoing news about the COVID-19 situation, encouraged by the recent relaxation of restrictions as we enter Stage 2 of the Roadmap to recovery. The next few weeks will be critically important, especially as limitations on interstate and overseas travel are lifted. If the State can get through that period safely we can be hopeful of gradually moving to our “new normal”.

It is of course impossible to predict accurately how long this transition will take. Rather than standing by helplessly the Committee is optimistically taking the view that if things go smoothly over the coming months, *in consultation with the Beaumont Bowling Club we may be able to resume Probud meetings by September.* We will continue to monitor the Government advice, and keep members informed.

Meanwhile I urge everyone to take care of your own health. Vulnerable people like the elderly and those with chronic health conditions should talk to their doctor about what is appropriate for them. If you have cold or flu symptoms, seek testing and stay home until you are well. And remember the personal hygiene mantra: wash your hands often, wipe frequently touched surfaces, and cover coughs and sneezes. We want to see everyone healthy and happy when we do get to meet again.

Ken Watson
President

Footnote (Ed)

President Ken had a setback recently with a minor stroke but has recovered quickly to again be actively involved in Probud. Keep well Ken and heed the warning!

Welfare

Members are encouraged to contact Marg Wagner (0403 062 878) if they need help or are aware of other members who might need assistance or encouragement.

Andrew McTaggart, Leo Floriani and Richard Morris are currently on our list of concern. Ross Christiansen, after 3 visits to hospital in the last year and a recent blood transfusion, has transferred from the Waterford apartments to a unit in Lourdes Valley at the Southern Cross Care complex at the top of Cross Road, Myrtle Bank. He is in good spirits.
