From the President

It is with much pleasure that I am the incoming President of Glen Osmond Probud Club and look forward to seeing you at our meetings and meeting you as individuals.

President Ken Watson has done a magnificent job in these troubled times and has worked tirelessly to improve and promote the ideals of Probud. He has ensured a safe meeting place, conducted meetings on ZOOM and within the Club and informed us regularly about particular topics of interest. Our thanks to President Ken for all his wonderful work and professionalism and we welcome his transition to his new portfolio of organising the Speaker.

As Albert Einstein said, "Life is like riding a bicycle, to keep your balance you must keep moving."

I sincerely hope that this year will be a rewarding, stimulating and enjoyable time for the Club with a particular focus on friendship and participation in many of the Club's activities. Your input into the club is always appreciated, especially when introducing new members and volunteering for any management position. There is certainly much to look forward to this year.

Firstly, Richard Duncan's initiative of starting a new walking group was scheduled to meet on February 17th but had to be cancelled due to hot weather. However, walking with Richard will be a regular monthly event and he will outline the details in the Newsletter. Secondly, the Activities Committee headed by Kaye Leaker is busy scheduling an interesting programme but is always open to suggestions. In addition, there are many Profiles to be given from members and we encourage people to deliver their profile in a format of their choosing, for example: an interview, an online recording or electing a reader.

Finally, our Visiting Speaker is always a highlight of the meeting and we looked forward to learning more about ourselves, our country and our world.

I'm sure that we'll have a great year together.

Christine Lincoln
President

Next Meeting

Welcome to the Probus Club of Glen Osmond Short Walks.

The next short walk on 10th March will start from Mitcham Reserve at 10:30. We will first look at some of the history of Mitcham. Mitcham was one of the first suburbs of Adelaide and was in the early days reached by Fullarton Road, Unley Road did not go right into Adelaide because of a swamp. We will then walk up Brown Hill Creek as far as time permits, returning for BYO lunch at the reserve in the well-presented shelter.

Brown Hill Creek is worth further exploration and a future walk could start from where we get to on this walk.
