From the President

We certainly live in interesting times with the Olympic Games, Covid restrictions and Vaccination debates but I'm optimistic that the impact on us is for a short time.

After our committee meeting on Monday quite a few items were discussed at length pertaining to our Covid Safe Plan, future activities and streamlining payment. Our good news is that I recently submitted a Quick Response Grant to Burnside Council which was successful and we received a grant of \$500 for our proposed excursion to Mannum in November.

Sincere thanks to Mary Catford for her support of members with health issues. Her visits and phone calls have brightened someone's day but she does need to be informed when someone has a problem.

We look forward to seeing everyone at our next meeting on 6 September. Until then stay safe and keep well.

Christine Lincoln
President
