### From the President

It's wonderful to see a few new faces at our meetings and I do hope that they will join us on a more permanent basis. Recently I advertised our club in the Burnside Focus which engendered some interest about joining. We are very fortunate to have a great venue for our meetings which John Hall, the Director for SA and NT, indicated was an essential asset.

Celebrating Probud Day on 1<sup>st</sup> October is an initiative from Probud South Pacific and encourages people in the community to join their local club. The timing is based on the United Nations International Day of Older Persons (UNIDOP) on October 1; the theme this year is Digital Equity for All Ages, which predicates the need for access and meaningful participation in the digital world by older persons. The objectives of UNIDOP 2021 cover Ageism and Human Rights, Sustainable Development, Access and Literacy, Cybersecurity and Ethics and Accountability.

Fortunately most of us in Australia have computers, iPads, mobile phones, Smart TVs and watches as we've had to adapt and adopt the new technology to manage our daily life. We just need to remember; "Technology is best when it brings people together."

Christine Lincoln  
President
