From the President

A warm welcome to you all for our first Probuc meeting of 2022. I hope that you all enjoyed a wonderful break with your family and friends and may even have travelled further afield. There have been a few bumps on the road but it is good that some of the restrictions have now been eased and we can enjoy a more relaxed atmosphere. Thank you for complying with the rules when entering the club and sharing your vaccination status. If you forgot your documentation then please bring it for sighting to the March meeting.

This week started with **Safer Internet Day** and after hearing quite a few horror stories of internet scams I hope that you might have found an online session or sessions that suited you with PSPL and NBN. If you're having a problem with scammers go to The Little Black Book by the ACCC or idcare.org as Australia is the fourth targeted country for scammers. Unfortunately QR codes are now being targeted so that malware can be installed in your phone.

This year I would like to see new members joining our Club. Our numbers have certainly dwindled a little over the past few years and we need to make a concerted effort to bring some new blood into the Club. Many of us have friends who would certainly benefit from the experience so bring them, as a visitor, to a meeting and encourage them to join.

Our Activities group has already met and we're happy to inform you that a wonderful range of outings is on the agenda for 2022, beginning with Pizza in the Park. We look forward to seeing you there.

Christine Lincoln
