### From the President

As your new President for 2022 I first want to place on record Christine Lincoln's strong leadership during a very trying year for our club. The whole Committee has supported Christine as Covid threw lots of problems at us.

We plan to continue club activities during 2022, Covid permitting, and we look forward to your participation in the events we organise.

However we are having trouble filling some positions on the Committee.

It is very important that a Vice President serves on the Committee for the full year before becoming President, as this ensures each President is familiar with the workings of the Committee and the club generally.

The President has strong support from the Committee members at all times. So please give serious thought to volunteering for this position to ensure our club continues.

I look forward to the trip to the Barossa and the April general meeting.

Andrew McEwin
