	5252		Issue:	20th August 2019
Secretary:	Alan Parker	6294		
	7207			

Hello Everyone, I know that some of you are ill, I want you all to know that we are thinking of you. Please let us know If there is anything we can do to help you in any way. Best wishes for a speedy recovery.

HAPPY

BIRTHDAY

Charlie Samuel, Norma Steele, Marti Varsanyi.

Guest Speaker: The guest speaker in July was Stephen Munro. His speech covered “The Evolution, Migrations of Humanity, and The Peopling of Australia”.

Stephen is a graduate of the Australian National University’s School of Archaeology and Anthropology and a curator at the National Museum of Australia. He draws on his own and other research to challenge some of the traditional scenarios put forward to explain these questions and proposes a number of alternatives.

His talk explained that about five million years ago, a population of African apes began to separate into two separate species, humans and chimpanzees. What the circumstances were that led to this separation and why humans are so distinctive, in so many ways, from chimpanzees and other primates. Also what the circumstances were that led humans to spread throughout the world and how and when humans first reached Australia.

A vote of thanks was given by Paul Varsanyi.

The birthday people for July receiving their frogs. Wendy Milne, Louise Samuel, Sue Thompson, Glenda Sullivan and Alan Parker.

August Committee Meeting: The following issues were discussed at the committee meeting:

- It was decided to order 2000 flyers from PSPL with information about future events on the back. Members would be asked to assist with a leaflet drop, focussing on Kambah.
- It was proposed to set up a group to address the membership issue. John Payne, Tom Anderson, Glenda Sullivan and Louise Samuel were asked to participate and provide ideas to try to improve the retention and gaining of new members.
- Paul has contacted the Canberra Weekly and The Chronicle to get meeting notices included in their publications. It will be necessary for someone to keep sending copy to both publications. Paul would ask someone to take on the job at the next meeting.
- Agreed to replace the speaker with Trivia Quiz at the March meeting after the AGM.
- Agreed to have a game at the January meeting which would involve everyone providing their earliest photograph and putting them out so that everyone could try to guess who they were.
