A Few Words from Our President

At last it is the end of a long and difficult year. Thankfully, our club has come through the trials in fine form, and we are back with regular meetings and activities. We have had to make a few adjustments along the way, and by being flexible have won ourselves certainty regarding our meeting venue. Several clubs in our region have lost their venues, and some have not been able to re-start their meetings.

As our thoughts drift towards Christmas, and we re-connect with friends and family, the Greenway Probud Committee wishes each and every one of you a very Merry Christmas, and a happy, healthy New Year. We look forward to a wonderful program of activities in 2021.

New Members

At the meeting President Paul took the opportunity to formally welcome Noela Power, Joan Miller, and Arthur Rich to the Club!

Membership/Welfare Report

This month Lorraine McPherson, Elizabeth Chisholm, and Louise and Charlie Samuel all need our positive thoughts and best wishes at this time of the year.

December Birthdays

More birthdays this month, and we wish Happy Birthday to Margaret Brown, Linda Dack, Barb Manning, Carolyn McHarry, Lorraine McPherson, Joan Munro, and Jan Petrie.

Knitwits News

We had a very enjoyable Brunch & another Birthday Party this time for Barb Manning, to celebrate our last meeting for 2020, which was great!

Thank you 'girls' for all your generosity and hard work & hope we have helped in a small way to St Vinnies Night Patrol & the Beanie Basket at the Canberra Hospital oncology unit.

Have a lovely Christmas & a Happy, Healthy & Safe New Year,

See you in February 2021. Take Care,

Love Louise

Jack Waterford

At our December Meeting we were fortunate to have one of my favourite Speakers come along. Jack had initially been scheduled to come earlier this year before the COVID-19 restrictions were imposed.

Jack delivered a fascinating insight into the Canberra Times and its role as our local newspaper. His talk focussed on the way things had developed and some of the people involved and their contribution to the paper.

Many thanks to Jack and I am looking forward to when we can get hm back again.
