A Few Words From Our President

Hello everyone,

As I'm sure you are all aware Probust is an association of active retirees who meet together as clubs and whose main aim is one of connection or fellowship and from that connection develops friendship and fun. At Greenway club, we endeavour to provide opportunities to expand our interests, keep our minds active and enjoy new and not so new friendships.

The reasons people join the Greenway Probust Club are many and varied and although personalities may differ, we can all get back what we contribute. Without you, we would not survive.

As your committee, we are working for you. However, we are also working with you and we respect and look forward to any worthwhile contribution you have to offer. By doing so you will ensure we can all look forward to attending the meetings every second Tuesday of the month as well as participating in our many and varied social activities.

As your President, it is my wish that we embrace the spirit of the club as we move together through the coming year.

Best wishes

Barb Manning

If you are such a person could you please see Alan or Carol and amend your Emergency Contacts.

At our May meeting, a warm welcome was given to Mary Samara-Wickrama and Chris Baxter as new Club Members. Barb said she hoped they would enjoy their time with us.

To all Members with ongoing health problems or other issues that prevent them from attending meetings, we send our positive thoughts and best wishes.

TRIVIA

How many of you were able to achieve a high score in Jan's fiendishly difficult April Trivia Quiz? Our table was not very successful, we could have done better if we just guessed the answers!

Many thanks, Jan, you did it again; challenging our minds and memories for answers we should know but in many cases did not.

Still, it was great fun and we will look forward with anticipation to your next Trivia Quiz.

The cold Canberra weather didn't derail the Light Rail Excursion

Report and Pictures courtesy of Noela Power.

On Wednesday 26 April, a small group of Greenway and Lanyon Probians braved the cold to explore Canberra's light rail system.

The group met at Tuggeranong Interchange and caught the bus to Civic before riding the Light Rail

to Gungahlin Place.

A short walk later they arrived at Eastlake Gungahlin Club for a cheerful and tasty lunch. Later the group reversed the route to travel back to Tuggeranong.

Some of the adjectives used by the group to describe the light rail were comfortable, quiet and smooth.

One learning from the trip was - when storing a brittle MyWay Card in your trouser pocket, it may snap in two when you stand up. If this happens they don't work anymore!

Theatre Outing

A small group went to see the play "Rope" on Sunday 30th May. "Rope" is an American psychological crime thriller based on an Alfred Hitchcock movie from 1948. A great way to spend a cold Sunday afternoon with intriguing entertainment and good company!
