A Few Words From Our Acting President

Dear Members

I'd like to wish everyone a Happy New Year and hope that you were able to share a happy Xmas with family and friends.

It was disappointing to cancel our January meeting but your Committee decided that it was better to be safe given the age profile of our members. Hopefully, the situation will settle down and we can meet again in February. In the meantime, Gail and Noela have organised a lunch at the Tuggeranong Southern Cross Club for the 24th of January for those who are happy to socialise. So thank you very much for arranging this. Further details are provided in the newsletter.

A number of your Committee would like to take a break this year so I'd like to encourage members to consider volunteering for a position. This could be done in many ways. You might like to shadow a current committee member to see what

their role entails or you could share with another member and perform the role together. There are numerous possibilities and I would welcome your creative ideas. Maybe you feel like a new challenge for 2022, so why not join a fun group of people! All committee positions are open for nominations and will be decided on at our AGM in March. Please feel free to contact me or any other committee member to discuss. Our committee is a vital part of making our club so successful.

I look forward to being able to get together with members very soon. Don't forget that you have many PROBUS friends out there who are just at the other end of the phone so please call if you would like to have a chat.

Take care, stay safe and keep smiling.

Sandra

Christmas party lunch

Well, what can I say, apart from some confusion about which was the correct Woolshed and then some difficulties with a failed gas connection, overall the catered picnic was very successful and from the feedback, we received it was a great success! The

members who took on the task to organise the event are to be thanked and congratulated for the effort they put in and the results they achieved. They set a high standard for future Christmas Lunches!

Welfare

We are thinking of Norma Steele, Cheryl Dobson and Joan Harrison who are still not 100%. In an addition, members with ongoing health problems or other issues that prevent them from attending meetings are not forgotten and we send them our positive thoughts and best wishes.

January Birthdays

There are only two birthdays in January, Esther O'Loughlin and Paul Varsanyi.

A very Happy Birthday to both of you.
