**PRESIDENT’S FEBRUARY MESSAGE**

Dear Members

Happy Valentine’s Day to everyone. I hope you are enjoying this beautiful weather that we are having. I wasn’t sure that we were even going to experience any warm temperatures this summer.

I am pleased to report that your Committee has received nominations for all of the positions which will be declared vacant at the AGM in March. A very big thank you for all of those members who have volunteered. Your willingness to give up your time to work for your club is greatly appreciated.

The Committee has decided to maintain the existing membership fees at \$28 for another year.

PSPL increased the Capitation Fees for each registered member by just under \$2 per person. Our wonderful treasurer Glenda, advised that the club had sufficient funds to absorb this increase.

I’m looking forward to seeing what creative ideas members come up with for Tuesday!

Take care, stay safe and keep smiling.

Sandra

## Valentine's Day on Meeting Day

Wear your heart on your sleeve, wear red clothing or make someone's day by sneaking them an anonymous valentine? Over to you!

### A Visit to Norway

At our last meeting we were entertained by Noela with a description of her recent ten-day visit to Norway.

Her description of the countryside along with her photographs were fascinating and made a lot of us want to rush off and visit Norway or add it to our bucket list!

Paul thanked Noela for her talk on behalf of us all.

### Welfare

We currently have some Members with ongoing health problems or other issues that prevent them from attending meetings. We have not forgotten you and send our positive thoughts and best wishes. If you know of any unwell members, could you please let Glenda know so that she can follow up with a phone call?

### Greenway Sunday Dining Group

Members meet on the first Sunday of each month at various venues for lunch. Why not come along and give it a try and then decide if you want to join? Please contact Sandra on 0429 133 363 for more information.

### February Birthdays

This February more of our members have birthdays than last month and they are Jan Deacon, Chris Finch, Lorraine Freeman, Vi Rich and Alice Sams

*A very Happy Birthday from all of us*

### A Couple of Jokes

**I tried having my mother's phone disconnected**, but customer-service told me that since the account was in my fathers' name, he'd have to be the one to make the request. The fact that he'd been dead for 40 years didn't change things.

Then a solution hit me: "If I stop paying the bill, you'll turn off the service, right?"

"Well, yes," they said reluctantly. "However, that would ruin his credit."

#### **An elderly woman went into the doctor's office.**

When the doctor asked why she was there, she replied, "I'd like to have some birth-control pills."

Taken back, the doctor thought for a minute and then said, "Excuse me, Mrs. Smith, but you're 72 years old. What possible use could you have for birth control pills?"

The woman responded, "They help me sleep better."

The doctor thought some more and continued, "How in the world do birth control pills help you to sleep better?"

The woman said, "Simple, I put them in my granddaughter's orange juice every morning and I sleep better at night."

**Picnic at Pine Island – 31<sup>st</sup> January 2023**

Given the wet and windy conditions over the previous two days we were pleasantly surprised when this day dawned warm and sunny, making it a great occasion for a Picnic! Even the kangaroos turned up and gave us a display of hopping around the grounds! Of course, mention must be of all the scrumptious baked “goodies” that Marti brought along for all of us to share!
