President's Message

How time flies when one is fully occupied or having fun.

Just look at the calendar, it is 'Tax Time' again.

It was tremendous to see that there were almost no vacant single chairs at the last general meeting. It certainly looks a lot more friendly not having single chairs vacant. Just remember to pick a different seat at the June meeting, even if it is only a few chairs away from where you usually sit.

If you turn up at the June meeting without your name badge it may be a good idea to bring an extra \$9.00 and ask Deidre Beach to order you a new one. If you are in the habit of forgetting the one you have at home maybe it is time to have a second one in the car.

I am very pleased with the work being done by the 'Management Committee'. Thank you one and all. I could comment on individual performance but as I am pleased with everyone, I need not make any further comment.

Daryll does appreciate our help packing up the chairs and tables after our 'General Meeting'. They are all set up for us when we arrive every month so it is nice to help him pack them up. You know the old story about 'Many Hands Making Light Work'. if you see that the number of helpers is down you could consider lending a hand. But "DON'T HURT YOURSELF"!!!!!! Even taking the last few items back to the kitchen or removing the table cloths is a big help.

P.S. If you are speaking at the meeting, please come forward and use the Wireless Microphone. If it comes to question time, we will try to bring the microphone to you. The rest of us may just want to hear what you are saying.

MACLEAY ISLAND

A bright and early start saw a very enthusiastic group of Probians board our bus for our trip to Macleay Island. The first stop was at Nev Stafford Park, near the Ferry Terminal at Redland Bay, for a delicious morning tea. All fed and watered it was then on to the Ferry for our “overseas” trip. Although the weather looked threatening at times, we were lucky and avoided the few showers that were around.

The Barefoot Bowlers were keen to get started and the teams were quickly formed, and the games commenced. Jeff, Barry S and Sharon were outstanding Coaches providing encouraging advice, trying to guide the bowls towards the Jack.....not the gutters!

The Bowlers thoroughly enjoyed their games and then joined the cheer-squad for lunch in the restaurant for a hard-earned break.

The Macleay Island Bowls Club provided a great menu for lunch, a variety to please and be enjoyed by everyone.

Back to the Ferry Terminal and on board there was lots of chatter and laughter.

We were collected once again by Anthony from Blue Bus Lines who delivered us back to Springwood safe and sound. Thanks also to our Quizmaster, Barry C, who tested our powers of observation once we reboarded the bus. Only a few passed the test I might add!

It was great to see so many of our Probian friends support our outing. Thank you all for a great day.

Carolyn.

RIVERDALE PARK, Armstrong Road, Meadowbrook.

Never leave until tomorrow what you can do today”

That’s exactly what Barry Cook and I did on a Twilight Story Bridge Climb.

With muscles straining and the fear of heights pushed from my mind I fulfilled a bucket list wish and viewed Brisbane from on high. It was spectacular, especially once it became dark. The history talk by our guide at the top of the bridge made us realise how little we know about local history.

Well worth doing and age is no barrier. Carla.

p.s. just don’t look straight down
