

TENNIS Chris Stewart 0431886109 stewart.50@bigpond.com

Hello everyone,

We are still enjoying our tennis  at Woronora Heights on Fridays.

Just a note to say that we are moving to summer time from next Friday. We will play from 9am-11am through the warmer months.

We would love to welcome any new players. Please call me if you would like to join us.

CRAFT Kerrie Murphy 0408417210 eypc.craft@gmail.com

Craft Report – 18th September, 2026 by **Kerrie Murphy**

We had another noisy day with 14 craft ladies at the Waltons.

Ann supplied cards, beads, leather shapes, glitz and left the rest to our own imagination to come up with a card worthy of giving to our nearest and dearest.

Mine was fairly ordinary, but hopefully I can do better as at our next get together Pauline will be showing us some Christmas card work.

Thanks to the ladies who brought along morning tea, always appreciated.

Next meeting 16th October at the Waltons. Thanks again Ann and Brian.

Men's Lunch Greg Thompson 0435791562 gregthompsoncontracting@outlook.com

MEN ONLY LUNCH REPORT No.4

We had a great day for this Men Only Lunch with lots of sunshine, before the cold change and wind came in. Parking at this venue (Ramsgate RSL) is always difficult especially at noon on any day of the week and this day was no different. It was good that several of us car pooled as it reduced the need for parking spots

There were only 10 attendees. 9 Probus members and 1 visitor. The visitor is a regular now and it is good to know that we give him an outlet to meet with us.

We originally had 20 names for this lunch, but circumstances worked against us. There are no issues about having to withdraw at the last minute as it is difficult to predict 2 days ahead let alone 2 months ahead and illness can strike overnight. This lunch group is organised for the benefit of the males of our club and is therefore there to be enjoyed if you can attend.

Thank you for those who advised early that they had to cancel from this lunch

We will catch up some time in the future, and we all look forward to it.

The food was good, but the dining room was very busy with many large tables, but the meal service was very quick, and the staff were very friendly and courteous. No evening meals will need to be prepared at home this evening as the quantity of food was substantial at lunch.

The main conversation was about the football results (Cronulla and the Swans in particular) and the expected teams to meet in the Grand Finals in 2 weeks.

Next lunch will be at the Arbour dining room at Heathcote RSL on Tuesday 24th November at noon.

It will be the last lunch for this group for this year so I guess we can call it our Christmas in November luncheon. I have moved this luncheon to Tuesday to allow others who have Monday commitments to attend.

Remember you can bring a male friend with you with no obligation to join our club, just advise me so that I can confirm numbers with the venue.

After all isn't this what our Probus is all about ...Friendship and Fun.....and always lunching.

Greg Thompson 0435 791 562

BOOKSWAP Jenny Best 0414539894 Janet Wright (asst)0405190447

Please come and peruse the books on the table, there may be a new read just for you.

Keep any new books coming so we always have a good variety for everyone, you may have a book you are ready to discard that another member will really enjoy. THANKS 

WALKERS Ann Soltermann 0488027396 Meg Copland 0412685557 eypc.walkers@gmail.com

3rd Thursday of each month. Medical cards need to be carried. Meet at 9am at Cooper St Park for car pooling for each walk.

The group walk last month was around Carrs Park which is always pleasant and we had perfect weather. Some of us used a car park that we didn't know existed which is located up the hill at the back of the café. From this area there were signs to a lookout which also most of us didn't know was there. Only three of us ventured to try and find the lookout, in which we were quite successful but unfortunately there wasn't a lot to see as the surrounding trees blocked the view. The lookout was located on top of some very large rocks with fences which might or might not stop you falling.

When we walked down and joined the others, they had been to the eastern end of the park and we continued with a walk along the little bit of beach then around the water edge.

Ann and Meg had arranged for us to visit the old Carrs cottage that is on the western headland. This has been turned into a museum and we had a couple of the volunteers talk to us about its history. I did ask if there had been any major restoration work done as the stonework looked quite new, but they assured me that it was all original.

As usual we finished of our walk with refreshments at the café before heading home. On a personal note, I would like to thank Meg and Paul Copland for chauffeuring me in luxury in their 30 year old Daimler, very nice. Of course, thanks must also go to Ann Soltermann and Meg for once again organising a great walk. Brian

MOVIES

MICHELE'S BEST PICKS FOR OCTOBER

SENSE AND SENSIBILITY

begins on 15TH October (period romance/ drama)

A witty and charming remake of Jane Austen's delightful English period drama. When their father passes away and their fortunes change, the Dashwood girls, Eleanor, Marianne and Margaret and their mother are forced to leave their home and accept the generosity of a distant relative. The story follows their new life as they navigate love and societal pressures of the time

Starring Daisy Edgar-Jones, Caitriona Balfe

WHALEFALL (survival/ thriller)

begins on 15th October

Scuba diver, Jay, is searching for his father's remains off the coast of California when he inadvertently finds himself in the feeding grounds of a massive sperm whale chasing a giant squid. Caught up in the tentacles, he is swallowed whole. With his oxygen levels depleting, he must find a way to escape. As oxygen deprivation and stress set in, he is forced to confront his situation and the fractured relationship he had with his father.

Starring Austin Abrams, Josh Brolin

PRESSURE (historical war drama)

Begins 29th October

In 1944, at the height of World War II, the Allies prepare to invade German-occupied Europe under Operation Overlord (D-day). The film follows the events in the 72 hours prior to D-day, when General Dwight Eisenhower and Scottish meteorologist, Captain James Stagg attempt to find a favourable weather slot for the invasion. Pressure mounts for a window of opportunity to launch the largest assault in history or risk losing the war.

Starring Brendan Fraser, Andrew Scott, Damien Lewis, Kerrie Condon

Cheers

Brian's therapist told him not to keep things bottled up.

My doctor said I needed more fruit.

The doctor said, "the great thing about wine is everything."

My specialist said it was purely medicinal.

Wine - It's too late for coffee, but too early for bed.

A good wine bottle does not mention calories, so I assume there are none.

Chefs cook with wine and sometimes even add it to the food.

The most common reason people buy a particular wine is the eye-catching label.

Any excuse – 'It is what's her name's birthday.' Cheers!

The dentist only said I couldn't eat for two hours.

The corkscrew was a present last birthday. It's rude not to use it!

I needed one more glass to fill the dishwasher.

Champagne bubbles contain no calories.

I can relate to someone complex and fruity.

Along with cheese and chocolate wine is a major food group.

I have often drawn a Blanc.

There's room for one more bottle in the recycling bin.

Everything looks better through Rosé tinted glasses,

The grandkids need the cork for a school project.

Our Probus "Book Swap" helps you all to be very well red.

The wine box was pioneered in 1967 by Australian Thomas Angove.

BriAnn
