*Happy Birthday* to our members who celebrate their birthday this month:

8<sup>th</sup> Dianne S

12<sup>th</sup> Marilyn S

12<sup>th</sup> Mary W

October babies are blessed with two beautiful birthday blooms: the marigold and the cosmos, the primary flower being the Marigold. Marigolds are symbols of positive emotions, like joy and excitement and they also represent energy, good luck, warmth, creativity, prosperity, passion and more.

Birthday babies have the Opal as their birth month gemstone. Opal's name is derived from the Sanskrit word for "precious stone", "upala" and the Greek word "opallios," which means "to see a change in colour." The gemstone is most commonly found in Australia, which produces around 95% of the world's opal supply. Throughout history, opal has been associated with various mythological tales. According to Arabic myth, opals fell from the heavens during thunderstorms, capturing the lightning within their multi-coloured depths. Opal symbolises creativity, inspiration, and emotional expressiveness. It's believed to enhance imagination and help bring one's deepest thoughts and feelings to the surface, making it a stone of introspection and self-awareness.

## A BIT OF FUN!

Our three birthday ladies were all born under the star sign, Libra. Librans are one of the 3 Zodiac signs most commonly believed to look and act younger than their actual age. Ruled by Venus, the planet of beauty, Librans care deeply about elegance, balance, and self-care. This routine helps them maintain a radiant, fresh appearance over the years. (it says so on the Internet, so it must be true!!!) 😊

The other 2 Zodiac signs are Gemini and Sagittarius.

Don't forget – if you don't have time to write your item in the "Newsletter Notebook" at the meeting you can always send me an email | [terrieohearn@outlook.com](mailto:terrieohearn@outlook.com) (until Marg gets back from her trip away)

- Sorry that I am missing the October meeting – should be lots of fun. Busy with HSC exams.  
*Mirella M*
- **If anyone going to the BEAUTIFUL NOISE show on 16 December is driving to the Lyric Theatre, could I request a lift? I am happy to pay for parking and petrol. I can't walk very far so wouldn't be able to manage public transport.** *Sue Herbert – 0408 298 066*
- We went to the Boatshed at the Fish Markets for my birthday on Saturday 5<sup>th</sup> – was a beautiful day overlooking the water. The food was great and we had a lovely day with our friends of fifty-five years who we have enjoyed other birthdays all that time. *Liz Evans*
- I've just returned from a fabulous trip to China. We really enjoyed those WOW! moments at the Great Wall, the Terracotta Warriors, the pandas, Tiananmen Square, the 350kph bullet trains and the Forbidden City. Another highlight was the delicious Chinese food..... or as it was called over there..... food! *Terrie O'H*

## No Bake Lemon Coconut Slice - New & Improved

### Lemon Slice Base

80 g butter  
250 g (¾ cup) sweetened condensed milk  
250 g plain sweet biscuits (like Arnott's Marie biscuits)  
90 g (1 cup) desiccated coconut  
lemon juice and zest from 1 lemon

### Lemon Frosting

360 g (3 cups) pure icing sugar  
90 g butter softened to room temperature  
75 ml (5 tbs) extra lemon juice  
20 g (3 tbs) desiccated coconut

1. Grease and line a 18cm x 28cm rectangular slice tin with baking paper.
2. Crush biscuits and place crumbs into a bowl.
3. Add desiccated coconut and grated lemon rind. Mix to combine.
4. Add melted butter, condensed milk and the juice from 1 lemon to the biscuit mixture. Mix thoroughly until well combined.
5. Press into the prepared tin and place into the fridge.
6. In a bowl, whisk the icing sugar, room temperature butter and extra lemon juice in a bowl until creamy and 'frosting-like' - if the frosting is too thick to spread, add a little more lemon juice.
7. Spread the frosting over the slice, sprinkle with the extra coconut and place back into the fridge to firm completely.
8. Cut into pieces once slice has firmed.

Store in an airtight container in the fridge for up to 1 week or freeze for up to 3 months.

## GRACE'S PLACE

Here we are learning about Grace's Place and its work.

**Grace's Memory Tree:** children make a decoration to commemorate the life of the person they've lost.

These are a couple of examples of **art hanging on the Memory Tree.**

Wall art made from **Anita Cobby's** wedding dress.

This is **Lady Bazza**. He was called Bazza until "he" laid an egg!

The purpose of Grace's Place summed up in a few words.
