HOMEBUSH PROBUS CLUB INC.
June 2019 Newsletter

The HOMEBUSH PROBUS CLUB INC. was formed after an interest meeting held at the Strathfield Library on 13th May 2019.

President's Message:

It is an honour and a privilege to welcome all those who have become foundation members of our new venture together, the **Homebush Probus Club Inc.**

I will take this opportunity also to encourage those who have an interest in joining us to speak with a member or committee person, who will answer any questions and assist you in applying to become a member. I am hoping this invitation will be delivered to friends and acquaintances via our new members.

Unfortunately for me, I will not be able to be with you for our **Foundation Meeting** however Julia Oliver has kindly offered to fill in for me as chairperson on the day. My apologies to all and my thanks to Julia who has been our guiding angel through the foundation stages of establishing the club.

We have recruited some fine enthusiastic and capable people to act in the roles of committee members. All positions on the committee have not yet been filled. Should anyone be interested in a position, please enquire of a member or committee person who will provide information for your consideration.

Personally I'm enthusiastic for the **Homebush Probus Club's** growth and the achievement of its goals. That is providing an active and inspiring friendly environment, wherein members, irrespective of gender, can engage in activities of their choice.

Goodbye for now, I look forward to meeting all at our July meeting.

Sincerely,

Brian Clark
