Lorraine's Log

Greetings members,

We have just had our movie evening on 17 July and for those who were not in attendance, you missed a great night out. The soup was delicious with the following angels making soup, Annette (2) and John S. I was delighted with their contribution to the evening otherwise I would have been making 4 soups instead of just one. So, a big thank you from me and our committee to these angels for their generosity. I was unsure about the movie "Where the Crawdads

Sing" but it kept me intrigued to the end. Ruth and Jen had both previously read the book and were able to give us some comparisons over dinner. Another thank you to John S for selecting some great movies so members can vote on their preference to watch each quarter. Our next movie night will be 16 October so put it on your calendar as a must attend for a great night out.

John and I will be away for the end of July and most of August so we will not be at the next meeting. However, I am sure Fergus and Annette will steer the ship

admirable in our absence. We are heading to Brisbane for some warmer weather then cruising to PNG for some delightfully tropical weather and I am so looking forward to that. When I lived in NZ for just over 9 years I used to tell them I was a hot house flower and needed to be in a heated space at all times in the winter, still applies now ☐. We will be back in Bermagui on 27 August, just in time for John to cook up a storm at the Camp Cookout on 29 August. The sheet will go out again at the

August meeting, after this if you wish to either be added and/or subtracted please email me on bermaguiprobust@gmail.com and I will check in on our arrival back in Brisbane as we are returning via Canberra (Cosco) to purchase the meat for the cook-out.

By the time you read this we will already have been to the Beachside Café for our Christmas in July lunch. I so look forward to this activity each year, Helen goes to a lot of trouble to ensure we have a great day with the decorations and great meal.

A reminder: The honesty box provided at each of our self-catered activities so members and guests can pay for the activity being provided. This saves John G. chasing people, and puts the onus onto people to pay without any drama.
