LORRAINE'S LOT

Greetings members

Well, the year is almost over and the silly season is about to begin. I personally love Christmas and all that it brings, sadly, as I get older the workload seems more tiring. For our family celebrations I now make sure that the workload is spread around so that I too can enjoy the celebrations. In my Probus life, thankfully with the current committee the workload is also spread around so that we (the committee) can enjoy our Christmas party along with all members.

We played tag team, Ruth and Annette did a great job commencing the preparations for the party whilst we

were in Perth. On our return I took over allowing Ruth and Annette a chance to get away for a break and I kept all the balls in the air. I have been on the begging trail around Bermagui and have some new benefactors on board with great raffle prizes. Sadly, the Country Club was not prepared to support our raffle but several small businesses have so that was very pleasing from my perspective.

A quick reminder of the format for the party - John G will greet you on arrival and offer you a glass (or 2) of complementary bubbles. I will accost you looking for the \$10pp. Annette and her helpers will bring around hot

finger food whilst we all socialise prior to the commencement of dinner Kevin will be around selling raffle tickets so come prepared for this as well. As a reminder I will be asking you to draw a table number out of the box on arrival as per the agreement struck at the last meeting. I believe this is a better way of seating people, as new members/visitors are often left standing and workers go looking for a seat only to find there is only 1 seat at this table and another at a different table which is distressing in both cases. have observed new people looking lost and I can say the latter has happened to John and I on several occasions. Now for some great news to impart, we have 3 more members who will be receiving their certificates in January to welcome them into our club. Their names are Paul & Thuy (pronounced Twee) Tarlin-

ton and Gwen Betts. I have their name badges now and will give them at the Christmas party so you can get a refresher on their names. Please greet them and make them feel welcome if you get the chance. Looking forward to catching up with everyone on 9 December for a great finish to 2024. Also looking

forward to an even better 2025 with a movie/pasta evening and the Australia Day BBQ both much anticipated activities in January to kick off the new year. PS The BBQ lunch set for Monday 17 February at Handkerchief Bay will now be Mystery Bay at the end of the road as members

World Survey

“ Would you please give your honest opinion about solutions to the food shortage in the rest of the world?”

The survey was a huge failure because of the following

- In Eastern Europe they didn't know what “honest” meant.
- In Western Europe they didn't know what “shortage” meant.
- In Africa they didn't know what : “food” meant.
- In China they didn't know what what “ opinion” meant.
- In the Middle East they didn't know what “solution” meant.
- In South America they didn't know what “.please” meant.
- In the US they didn't know what “ the rest of the world” meant .
- And finally
- In Australia they hung up because they couldn't understand an Indian accent.
