Lorraine's Log

Greetings members,

Well winter has well and truly arrived. It's been cold and consequently I have wanted to hibernate with a lovely fire going to keep warm.

Our walking group has been sporadic due to either rain or threatening rain, still 6 to 8 of us hardy souls brave the cold and venture down to Haywards Beach for our weekly gatherings. While it has been cold at least the sun has come the last few weeks to make it a more enjoyable walk. Coffee at Beachside Café saw or rather heard the

usual varied conversations that were happening around the table. We were told that whales had been sighted in Horse-shoe Bay, but there were none on display whilst we were there this week.

Our lunch at the Cobargo Hotel was once again a great outing. The hotel has a great menu and even though the décor is not five star the food and service certainly are. I believe we had 11 for this outing as we had several cancellations.

It was lovely to welcome our newest member, Nieves Cridland.

A reminder it's our Movie/Soup night on Monday 17 July to see "Where the Crawdads Sing" we currently have 2 committee members making a soup each and are looking for a volunteer to make another one. You get to choose the recipe and John G will refund your expenses if you give him the shopper docket. Let me know if you are happy to make a soup and I will let you know what the current menu is.

Until next month, it's goodbye from me.

**RON DAWSON
OUR LATEST LIFE MEMBER**

At our last general meeting we were pleased to see that our long time member Ron Dawson was honoured with life membership.

Ron goes back a long way when he became a member in 1992. We were an all male club in those days and our membership grew to around 90. He was a very active contributor.

Later in 2003-04 he became President and lead a very active club. We remember the trips he organised which included two with Terranova Tours where we had one great excursion to the Hunter Valley checking out a few wineries etc.

He succeeded Keith Mc Kee as president and also succeeded Keith as organiser of our music group. Ron has been involved with the music group now for at least ten years.

So his life membership was an acknowledgment of his considerable contribution to our Probus Club

Well done Ron and please accept our thanks for what you have done.

I told my wife that she should embrace her mistakes she hugged me.

Law of the Theatre & Football

Stadium - At any event, the people whose seats are furthest from the aisle, always arrive last. They are the ones who will leave their seats several times to go for food, beer, or the toilet and who leave early before the end of the performance or the game is over. The folks in the aisle seats come early, never move once, have long gangly legs or big bellies and stay to the bitter end of the performance. The aisle people also are very surly folk.

Paddy walks into the site office carrying a flask.
 Murphy: "What you got there then?"
 Paddy: "Tis a new flask"
 Murphy: "What's it do then?"
 Paddy: "It keeps hot tings hot and cold tings cold"
 Murphy: "So what you got in it then?"
 Paddy: "Two cups of coffee and an ice cream"

Law of the Bath - When the body is fully immersed in water, the telephone will ring.
