NEW PROBUS CLUBS IN WA

As part of its ongoing commitment to strengthening and expanding the Probus network across Western Australia, PAWA is actively working with PSPL to explore the establishment of new Probus Clubs in three areas: Armadale, Ballajura, and Wanneroo. These localities have been identified as having the demographic potential to support new Clubs and meet community demand for friendship, fellowship, and fun in retirement.

Consistent with PAWA's stated approach, the establishment of any new Club will only proceed following full consultation with existing Clubs who may feel that their traditional "catchment area" could be impacted. This ensures transparency, cooperation, and mutual respect across the existing WA Probus community.

"Our Committee has responded through President Tricia Jackson and confirmed that we will attend the forums once details are provided."

HOSPITALITY:

A warm thank you to all members who brought along a plate to share for our Birthday Meeting morning tea. Your generous contributions helped make the occasion both festive and enjoyable.

Our sincere thanks also go to the wonderful volunteers who assist each month with setting up, serving, and cleaning up. Your time and effort are truly appreciated! Morning tea is a valued part of the fellowship we share at Probus. If you haven't yet, please consider adding your name to the roster—to help pour tea or tidy the kitchen afterwards.

We also encourage two members each month to bring along a plate of either sweet or savoury treats for everyone to enjoy. The sign-up sheet is available on the side table at each meeting.

Thank you all for helping make our morning teas such a success!

A big shout out to Maureen Stubbs and Coralie Giblett (savoury) and Jeanette Campbell (sweet) for supplying morning tea this meeting and - another shout out to Pete Wilkinson and Dale Brooks for 'tipping tea' for us this meeting.

*"What good is the warmth of summer,
without the cold of winter to give it sweetness."

Terracotta Warriors Dates Saturday 28 June 2025 – Sunday 22 February 2026 maybe October?

The exhibition, Terracotta Warriors: Legacy of the First Emperor, will be the most significant museum exhibition Western Australia has ever seen.

Incorporating more than 225 exceptional Chinese artefacts, including the warriors, the exhibition is being designed and created by WA Museum Boola Bardip in collaboration with Shaanxi Cultural Heritage Promotion Centre and the Emperor Qin Shi Huang Mausoleum Museum.

Most of the objects have never been seen in Australia before, nearly half have never left China, and some of the more recently excavated pieces have never been on public display.

The figures, dating from approximately the late 200s BC, will be accompanied by stunning, immersive multimedia experiences.
