Planning ahead for AGM in March

Management Committee is now calling for nominations for our AGM in March. Our Club's Constitution states that nominations should be called for at the meeting preceding the February meeting. This means that our Club can now call for nominations. The Nominations for Committee form is available on the back table.

1. A brief role description for each Committee position is displayed on the back table
2. Current Committee members are available to help and act as mentors to newly appointed Committee members.
3. We can appoint one or more assistants for Secretary, Treasurer and Outings, Activities and/or Tours Officer. This will assist in reducing the workload for any one person and may encourage members to become involved.
