

President Ponders

Desne Harris

Good morning everyone,

Did some of you watch the exciting, nail biting finish to the Fifa World cup? I decided to in the end. Well it was some finish. I'm not a fan of these things it I must admit that it was worth it The weather was sunny (more or less) for the school holidays but each day seems different: frost and fog. Stay inside if you can.

You will be pleased to read that our October speaker will be continuing with part 2 of the history of Auckland Public transport and to remind you that it lasts an hour.

Stay safe and well.

Desne
