

President - *Joan Goddard*

We have passed the shortest day, and can now look forward to the mornings being a little lighter. Unfortunately, we still have the frost and cold weather for a few more months yet.

The annual subscriptions are nearly all up to date. We have to pay a levy to Australia for each of our members; if you are someone who has forgotten to pay, then please pay your sub as soon as possible please.

If you are a Facebook reader, please make sure you follow our page so you can see what's happening and when. We currently have 24 people following the page and welcome anyone else who wishes to join up and get the latest news.

We are really missing our secretary, Maxine. Maxine has had some surgery and we are hoping that she is better and back with us soon.

Till next time *Joan*

Introducing John McGough
I am such a group touring fan. Still have friends today, that I have met on a group tour. I love the fact I can enjoy a breakfast that will keep me going during the day, board the coach relaxed, and maximise the day by being taken to the highlights. All this while enhancing the experience, **from an expert guide**.

Trip Report

Mid-Winter Christmas Lunch, 13 June 2025

We all enjoyed a very nice lunch at LaRosa Italian Restaurant. Their set luncheon special is really good value and they have a good main course selection.

It was great to see so many members enjoying themselves. We will definitely be returning to LaRosa next year!
