

Bondi Beach - Opal Day

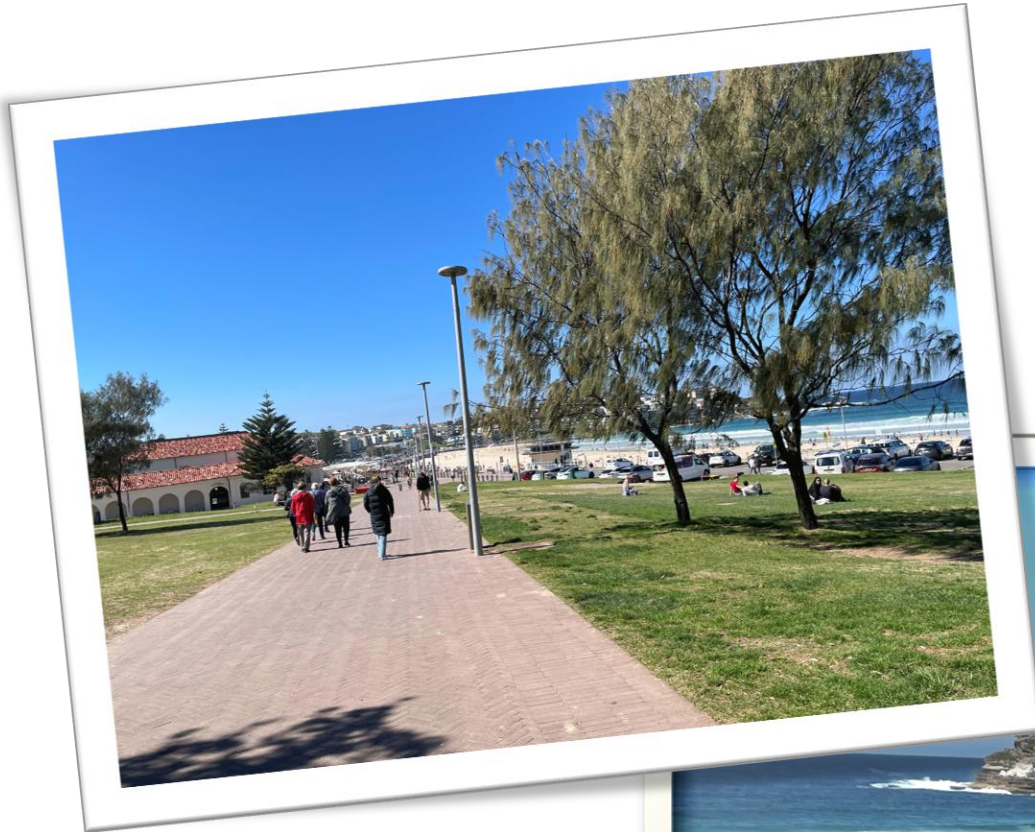

28 August 2026

We travelled by bus from Mona Vale to Dee Why, and another to Chatswood, then Metro to Martin Place and train to Bondi Junction, finally a bus to Bondi Beach where we stopped for coffee before leisurely strolling along the promenade, people watching, admiring the view and soaking up the sunshine. We finished with lunch at the Bondi Hotel before bussing it home, but not before stopping for ice-cream at Messina in the MLC.
