Dear Members

I hope this finds you all well and best wishes for a swift recovery to those facing health issues or other challenges
A big thank you to Brodie for covering for me whilst I was exploring the magnificent sights & "sounds"!! of New Zealand's South Island.
This is an exciting year as we celebrate Probus's 50th anniversary. The official launch was held in February, as this was when the first Probus club was established in NSW 1976.
Since then, Probus has grown into a vibrant network of 1,300 clubs with over 90,000 members, each providing a vital role in helping people build meaningful, social connections and continue to stay active & engaged at every stage of later life.
PSPL (Probus South Pacific Club Ltd) provides a plethora of information, activities, travel & events, monthly. Carol will email a copy to members outlining their 50th anniversary events & celebrations.
Each probus club is encouraged to develop their own celebrations. Our club has decided to celebrate this momentous occasion in conjunction with our 13th Birthday celebration at our August meeting.
Thank you to all our members, who by their support enable the social connection and community to continue, aligning with Probus principles.

Joke for the Month

Did you hear the rumour about butter?
I'm reluctant to go spreading it!

How do you identify the different types of dogwood tree?
By the bark!

My husband went shopping for camouflage pants.
He couldn't find any!

How did the computer catch a chill?
Its windows were left open!

I have a terrible fear of speed bumps,
I'm slowly getting over it!

Hope I don't miss anything,
I'd better hurry and book!
