Dear Members,

I hope this email finds you all well and my thoughts go out to those who are experiencing health or financial challengers
I've been fortunate to have spent a wonderful holiday in Japan. Thank you Brodie for standing in for me whilst I was away.
I understand that our dinner at CBD in Varsity was popular & well attended. Hopefully, you have all replied & paid for our big day out, Beenleigh Rum Tour & lunch, on 17th Nov
As we're fast approaching the end of the year, both Brodie & I have been encouraging members to contemplate nominating for a position on the 2027 committee. I know many of you have held positions on the committee in the past but without a committee, our club will close, which would be very sad.
Part of the speech John F Kennedy gave at his inauguration in 1961 was "Ask not what your country can do for you, ask what you can do for your country" This inspirational address was given to encourage Americans to think about their responsibility to their country. I hope this sentiment also encourages you to think about the future of our Miami Combined Probus Club.

Yours in Probus

Debbie

Joke for the Month

What happens when runners don't have proper shoes?
They suffer agony of DE FEET!

When the cannibal ate a missionary,
He got a taste of religion!

A chicken crossing the road is "poultry in motion!"

The butcher backed into the meat grinder and got a little behind in his work!

Hope I don't miss anything,
I'd better hurry and book!
